

# Pray for Burundi

The situation in Burundi is the worst it's been since the insurrection and failed coup attempt in April 2015. Burundi remains the poorest and hungriest nation in the world.

To add to Burundi's woes, M23 rebels are rampaging through Eastern Congo, arriving at Uvira, which is less than 5 miles from the border with Burundi and just 15 miles from Bujumbura where most of our people live and work.

# Pray for Burundi

Jesus, we declare you are the King of Kings, the Lord of Lords, the One who was, who is, and who is to come. We approach your throne of grace with confidence and humility, as we intercede for Burundi...

# Pray for Burundi

Please Lord, prevent the rebels from entering Burundi, so that no Burundian lives are lost. Intervene to thwart any plans to attack the airport and other critical infrastructure.

# Pray for Burundi

Please Lord, unite Burundians and help them to reject ethnic discord. Instead, please help them to choose to live in peace and harmony\* with one another.
